SAFEGUARDING PRINCIPLES AND POLICIES

Purpose

1. The purposes of this safeguarding policy are to ensure procedures are in place and people are clear about roles and responsibilities for children, young people and vulnerable adults in our care and using our premises. It is to be read in conjunction with the Safeguarding Policy. Procedures and Guidance for the Methodist Church (updated April 2019).

Key concepts and definitions

2. A child is anyone who has not yet reached their eighteenth birthday. The fact that a child has reached 16 years of age, is living independently or is in further education, a member of the armed forces, in hospital or in custody in the secure estate, does not change his/her status or entitlements to services or protection.
3. Vulnerable Adults are any adult aged 18 or over who, due to disability, mental function, age or illness or traumatic circumstances, may not be able to take care or protect themselves.
4. Safeguarding and protecting children or vulnerable adults from maltreatment; preventing impairment of their health and ensuring safe and effective care.
5. Adult/child protection is a part of safeguarding and promoting welfare. This refers to the activity which is undertaken to protect children/specific adults who are suffering or are at risk of suffering significant harm, including neglect.
6. Abuse and neglect may occur in a family, in a community and in an institution. It may be perpetrated by a person or persons known to the child or vulnerable adult or by strangers, by an adult or by a child. It may be an infliction of harm or a failure to prevent harm.

Principles

7. We are committed to:
 - 7.1. the care and nurture of all children, young people and adults
 - 7.2. the safeguarding and protection of all children, young people and adults when they are vulnerable
 - 7.3. the establishing of safe, caring communities which provide a loving environment where there is informed vigilance as to the dangers of abuse.
8. We will carefully select and train all those with any responsibility within the Church, in line with safer recruitment principles, including the use of criminal records disclosures and registration with the relevant vetting and barring schemes.
9. We will respond without delay to every complaint made which suggests that any child, young person or adult may have been harmed, cooperating with the police and local authority in any investigation.
10. We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.
11. We will seek to challenge any abuse of power, especially by anyone in a position of trust.
12. We will seek to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our Church community known to have offended against a child, young person or vulnerable adult.
13. In all these principles we will follow legislation, guidance and recognised good practice.

Policies

14. The Methodist Church, along with the whole Christian community, believes each person has a value and dignity which comes directly from God's creation in God's own image and likeness.
15. Christians see this as fulfilled by God's re-creation of us in Christ. Among other things, this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.
16. Trinity Methodist Church is committed to the safeguarding and protection of all children, young

people and adults and affirms that the needs of children, or of people when they are vulnerable and at risk, are paramount.

17. It recognises that it has a particular care for all who are vulnerable, whether by disabilities or by reduction in capacities, or by their situation. It recognises that this increased vulnerability may be temporary or permanent and may be visible or invisible, but that it does not diminish our humanity and seeks to affirm the gifts and graces of all God's people.
18. This policy is intended to be dynamic. It is intended to support the Church in being a safe supportive and caring community for children, young people, vulnerable adults, for survivors of abuse, for communities and for those affected by abuse.
19. Trinity Methodist Church fully agrees with the statement reiterated in Creating Safer Space 2007: 'As the people of the Methodist Church we are concerned with the wholeness of each individual within God's purpose for everyone. We seek to safeguard all members of the church community of all ages.'
20. Trinity Methodist Church recognises the serious issue of the abuse of children and vulnerable adults and recognises that this may take the form of physical, emotional, sexual, financial, spiritual, discriminatory, domestic or institutional abuse or neglect, abuse using social media or human trafficking (slavery). It acknowledges the effects these may have on people and their development, including spiritual and religious development. It accepts its responsibility for ensuring that all people are safe in its care and that their dignity and right to be heard is maintained. It accepts its responsibility to support, listen to and work for healing with survivors, offenders, communities and those who care about them. It takes seriously the issues of promotion of welfare so that each of us can reach our full potential in God's grace.
21. Trinity Methodist Church commits itself to:
 - 21.1. RESPOND without delay to any allegation or cause for concern that a child or vulnerable adult may have been harmed, whether in the church or in another context. It commits itself to challenge the abuse of power of anyone in a position of trust.
 - 21.2. Ensure the IMPLEMENTATION of Connexional Safeguarding Policy, government legislation and guidance, and safe practice in the circuit and in the churches.
 - 21.3. The PROVISION of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.
 - 21.4. AFFIRM and give thanks for those who work with children and vulnerable adults and also acknowledges the shared responsibility of all of us for safeguarding vulnerable adults who are on our premises.

Church Council

22. It is the responsibility of each Church Council to appoint a Church Safeguarding Officer and there should be no gaps in this crucial provision. It is not appropriate for the minister to fill any gap, because of the potential conflict of roles. The role will usually be undertaken on a voluntary basis although expenses should be met.
23. Trinity Methodist Church Council appoints **Frances Parnham** as its designated church Safeguarding Officer for Children and Adults.
24. Her role is to:
 - 24.1. provide a point of reference to advise on safeguarding issues
 - 24.2. support and advise the minister and the stewards in fulfilling their roles
 - 24.3. liaise with Circuit and District Safeguarding Officers
 - 24.4. promote safeguarding best practice within the local church with the support of circuit ministers
 - 24.5. ensure proper records are kept of all incidents/concerns according to Methodist policy and practice (see Safeguarding Records: Joint Practice Guidance for the Church of England and the Methodist Church - Updated Jan 2015)
 - 24.6. ensure that all safeguarding training which is required is undertaken by those in post and appropriate records kept and made available
 - 24.7. attend training and meetings organised to support the role
 - 24.8. oversee safeguarding throughout the whole life of the church (e.g. lettings, groups, property etc)
 - 24.9. report to the Church Council annually
 - 24.10. ensure the church completes a yearly audit/monitoring on safeguarding confirming that policies are in place for the church and all groups and lettings in the church and that these have been annually reviewed
 - 24.11. ensure the church completes a risk assessment on each area of activity in the

church; that this is stored and reviewed at least annually, and that it is readily available on request

24.12. ensure that the church recruits safely for all posts

24.13. ensure that the church has a safeguarding noticeboard with a copy of the current, signed safeguarding policy, contact numbers for local and national helplines and other information.

Good practice

25. We believe that good practice means:

25.1. All people are treated with respect and dignity.

25.2. Those who act on behalf of the Church should not meet or work alone with a child or vulnerable adult where the activity cannot be seen unless this is necessary for pastoral reasons, in which case a written note of this will be made and kept noting date, time and place of visit.

25.3. The church premises will be assessed by the church safeguarding officer with the property steward and/or their representatives at least annually for safety for children and vulnerable adults and the risk assessment report will be given annually to the Church Council in written form. This will include fire safety procedures. The Church Council will consider the extent to which the premises and equipment are suitable or should be made more suitable.

25.4. Any church-organised transport of children or vulnerable adults will be checked to ensure the vehicle is suitable and insured and that the driver and escort are appropriate. An agreed record to be kept in the church file for each driver/car.

25.5. Promotion of safeguarding is recognised to include undertaking those tasks which enable all God's people to reach their full potential. The Church Council will actively consider the extent to which it is succeeding in this area.

25.6. These things are to safeguard those working with children, young people and those adults who may be vulnerable.

Appointment and training of workers

26. Workers will be appointed after a satisfactory DBS disclosure and following safer recruitment procedures of the Methodist Church. Each worker will have an identified supervisor who will meet at regular intervals with the worker. A record of these meetings will be agreed and signed, and the record kept. Each worker will be expected to undergo basic safeguarding training, within the first 6 months (agreed by Methodist Conference in 2011 -Creating Safer Space Report) of appointment. The other training needs of each worker will be considered (e.g. food hygiene, first aid, lifting and handling, etc).

Pastoral visitors

27. Pastoral visitors will be supported in their role with the provision of basic safeguarding training upon appointment.

28. A copy of 'Safeguarding: A Quick Reference Guide for those working within the Methodist Church (2016)' will be given to everyone who works with children, young people and vulnerable adults. The Methodist Church's 'Code of Safer Working Practice' is available for reference purposes in the Safeguarding area of the Methodist Connexion Website.

Ecumenical events

29. Where ecumenical events happen on church premises, safeguarding is the responsibility of this Church Council.

Events with church groups off the premises

30. Adequate staffing, a risk assessment and notification of the event to be given to the Church Safeguarding Officer PRIOR to the agreement for any event or off-site activity. Notification of the event will be given to the Church Council secretary.

31. If the activity is unusual or considered to be high risk, the Church Safeguarding Officer will contact the circuit safeguarding officer in order that it can be ratified, or any queries raised.

Other groups on church premises

32. Where the building is hired for outside use, the person signing the letting agreement (www.tmcp.org.uk/property/letting-property-and-third-party-use) will be given a copy of the Church Safeguarding Policy and the appropriate leaflet¹. The Safeguarding Officer will consider the various users of the building in making lettings. Church Council authorises currently serving Church Stewards or Church bank account signatories to be signatories on its behalf for Annual Licence letting agreements and One-off letting agreements. The Church Safeguarding Officer will monitor that letting agreements comply with Methodist Church safeguarding procedures by carrying out regular random checks of agreements.

Complaints procedure (Safeguarding)

33. A safeguarding concern or complaint may be made to the persons who are appointed by the Church Council annually. Currently they are Frances Parnham (Safeguarding Officer) or Revd Philip Wagstaff (Minister). If a complaint is made to another person, it should be passed to Frances Parnham or Revd Philip Wagstaff who will arrange to contact the person who has raised the concern, and the appointed persons will assess the concern or complaint².
34. On receiving a complaint or report relating to possible abuse of children or vulnerable adults and if the circumstances suggest that they may be at immediate risk from harm, the appointed persons must immediately contact the District Safeguarding Officer (DSO) for their advice (or, if they are unavailable, the Superintendent Minister) as the statutory services may need to be informed.
35. If the complaint relates to the Church Minister, the complaint will be referred to the DSO or to another minister in the Circuit.
36. Complaints Procedure (outside of immediate safeguarding procedure)
37. In circumstances outside of immediate safeguarding concerns the complaints procedure of the Methodist Church will be followed. The local complaints officer is the Superintendent Minister, Rev'd Philip Wagstaff or his successor Rev'd Ian Couchman. More information about the complaints procedure can be found on the Methodist Church website at the following address: <https://www.methodist.org.uk/for-churches/governance/complaints-and-discipline>

Review

38. This policy will be reviewed annually by the Church Council. The next planned review will be at the 2026 spring Church Council meeting.
